

WE NEEDED HELP!

The Problem with Fishing - A True Story

Our 4-year-old daughter asked her dad and me if we could take her fishing. We were clueless about how to get started. We did not want to invest hours in internet research nor lots of cash on this venture; we just wanted to take our 4-year-old daughter fishing. We needed help!

Is there something going on in your life where you have questions and need someone to point you in a direction? Maybe you are dealing with something weightier than fishing, like a sick family member or a major household problem? The individuals who are in this ministry are willing to help. They are experienced enthusiasts, but not necessarily experts, who are willing to listen and provide direction based on their gifts.

Do you have questions or need assistance? Here is how it works.

Explain your question, issue or problem in a brief email and send the email to
Gifts-TalentsQuestions@CBC.org

We will do our best to connect you with those in the Body of Christ who can help you.

SOMEONE WAS THERE TO HELP!

Perhaps you can relate to Alison's story?

My mom was struggling to find a job and I mentioned it as a prayer request in our ABF. A person from the class sent us a text that said, "Hi, if your mom wants help with her resume, she can call me and I will talk with her." My mom called her and they spent over an hour on the phone. My mom took her suggestions, made the changes to her resume and by God's grace within two weeks she landed a great job. As a family, we are so grateful someone from Cornerstone Baptist Church reached out and shared their gifts and talents with us.

You can make a difference! Members of Cornerstone Baptist Church, what are your gifts, talents, hobbies and interests? Are you willing to share and help others? **Register and become a resource to help those in need.**
